Déclaration de déploiement

Achtung! Dieses ist ein Gerät der Funkstörgrenzwertklasse B. In Wohnbereichen können bei Betrieb dieses Gerätes Rundfunkstörungen auftreten, in welchen Fällen der Benutzer für entsprechende Gegenmaßnahmen verantwortlich ist.

Attentien I Ceci est un produit de Classe B. Dans un environnement domestique, ce produit risque de créer des interférences radioélectriques, il appartiendra alors à l'utilisateur de prendre les mesures spécifiques appropriées.

This symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste for recycling,

his device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause

RF Radiation Exposure & Hazard Statement
To ensure compliance with FCC RF exposure requirements, this device must be installed in a location such that the antenna of the device
will be greater than 2 cm (0.8 in.) from all persons. Using higher gain antennas and types of antennas not covered under the FCC
certification of this product is not allowed. Installers of the radio and end users of the product must adhere to the installation instructions
provided in this manual. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

Use only the supplied internal antenna. Unauthorized antennas, modifications, or attachments could damage the Turtle Beach Elite 800 RX & TX Models and violate FCC regulations. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. Please contact Turtle Beach for a list of approved antennas.

Deployment Statement
This product is certified for indoor deployment only in the 5150 – 5250 MHz band. Do not install or use this product outdoors in that requency band in the United States.

armful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Start this process with the headset powered OFF. Press and hold the Pairing Button on the Transmitter until the
